SIR,—I have the honour to hand you the Annual Report of the Department of National Revenue (Customs Division), containing Accounts of Revenue for the fiscal year ended March 31, 1945.

Your obedient servant,

DAVID SIM,
Deputy Minister.

OTTAWA, June 30, 1945.

PREFACE

The Act respecting the Department of National Revenue contains the following provisions with regard to the annual report of the department (Section 5):—

“The Minister shall each year make a report to the Governor General, of the transactions and affairs of the department during the year then last preceding, which shall be laid before Parliament within fifteen days after the next meeting thereof.”

The unrevised monthly statements of imports and exports, prepared and published under the direction of the Department of Customs from July 1, 1900, ceased to be published by this Department since March, 1918.

Detailed statements, however, showing the quantity, value, and origin of imports and the quantity, value and destination of exports, continue to be prepared and furnished monthly by the Department of Customs from April 1, 1918, for publication by the Dominion Bureau of Statistics.

Trade statistics classified by countries, with other details, compiled from Customs returns, are now published by the Dominion Bureau of Statistics.

Part I of this report contains tables and statements relative to Customs.

Part II of this report contains tables and statements relative to Excise.

Part III of this report contains tables relative to Income Taxes.

L'honorable D. L. MACLAREN,
Ministre du revenu national.

MONSIEUR,—J'ai l'honneur de vous remettre le rapport annuel du Ministère du revenu national (Service des douanes), renfermant les comptes rendus des revenus pour l'année financière terminée le 31 mars 1945.

Votre obéissant serviteur,

DAVID SIM,
Sous-Ministre.

OTTAWA, le 30 juin 1945.

PRÉFACE

La loi concernant le ministère du Revenu national contient les dispositions suivantes au sujet du rapport annuel du ministère (Article 3):—

“Le ministre doit, tous les ans, soumettre au Gouverneur général un compte rendu et un état des opérations et affaires du ministère pour l'exercice immédiatement précédent, compte rendu qui doit être déposé devant le Parlement dans les quinze jours de la réunion de celui-ci.”

Depuis mars 1918, notre ministère ne publie plus les résultats mensuels non révisés des importations et exportations que l'on préparait et publiait sous la direction du ministère des Douanes, depuis le 1er juillet 1900.

Mais le ministère des Douanes continue de préparer des états détaillés indiquant la quantité, la valeur et l'origine des importations, la quantité, la valeur et la destination des exportations, états qu'il fournit tous les mois au Bureau Fédéral de la Statistique, pour la publication, depuis le 1er avril 1918.

Le Bureau Fédéral de la Statistique publie maintenant des statistiques du commerce classifiées par pays, avec d'autres détails compilés d'après les rapports des Douanes.

La Partie I de ce rapport annuel contient des tableaux et états relatifs aux douanes.

La Partie II du rapport contient des tableaux et états relatifs à l'accise.

La Partie III du rapport contient des tableaux relatifs à l'impôt sur le revenu.

The Hon. JAMES J. McCANN, M.D.,
Minister of National Revenue.

SIR,—I have the honour to hand you the Annual Report of the Department of National Revenue (Customs Division), containing Accounts of Revenue for the fiscal year ended March 31, 1946.

Your obedient servant,

DAVID SIM,
Deputy Minister.

OTTAWA, June 29, 1946.

PREFACE

The Act respecting the Department of National Revenue contains the following provisions with regard to the annual report of the department (Section 5):—

“The Minister shall each year make a report to the Governor General, of the transactions and affairs of the department during the year then last preceding, which shall be laid before Parliament within fifteen days after the next meeting thereof.”

The unrevised monthly statements of imports and exports, prepared and published under the direction of the Department of Customs from July 1, 1900, ceased to be published by this Department since March, 1918.

Detailed statements, however, showing the quantity, value, and origin of imports and the quantity, value and destination of exports, continue to be prepared and furnished monthly by the Department of Customs from April 1, 1918, for publication by the Dominion Bureau of Statistics.

Trade statistics classified by countries, with other details, compiled from Customs returns, are now published by the Dominion Bureau of Statistics.

Part I of this report contains tables and statements relative to Customs.

Part II of this report contains tables and statements relative to Excise.

Part III of this report contains tables relative to Income Taxes.

PLAISE À VOTRE EXCELLENCE:

Le soussigné a l'honneur de présenter à Votre Excellence le rapport annuel du Ministère du revenu national, renfermant des tableaux et des relevés relatifs aux douanes, à l'accise et à l'impôt sur le revenu, du Dominion du Canada, pour l'année financière terminée le 31 mars 1946, et compilé d'après les comptes rendus officiels.

Le tout vous est respectueusement soumis.

JAMES-J. McCANN,

OTTAWA, le 29 juin 1946.

L'honorable JAMES-J. McCANN, D.M.,
Ministre du revenu national.

MONSIEUR,—J'ai l'honneur de vous remettre le rapport annuel du Ministère du revenu national (Service des douanes), renfermant les comptes rendus des revenus pour l'année financière terminée le 31 mars 1946.

Votre obéissant serviteur,

DAVID SIM,
Sous-Ministre.

OTTAWA, le 29 juin 1946.

PRÉFACE

La loi concernant le ministère du Revenu national contient les dispositions suivantes au sujet du rapport annuel du ministère (Article 3):—

“Le ministre doit, tous les ans, soumettre au Gouverneur général un compte rendu et un état des opérations et affaires du ministère pour l'exercice immédiatement précédent, compte rendu qui doit être déposé devant le Parlement dans les quinze jours de la réunion de celui-ci.”

Depuis mars 1918, notre ministère ne publie plus les résultats mensuels non révisés des importations et exportations que l'on préparait et publiait sous la direction du ministère des Douanes, depuis le 1er juillet 1900.

Mais le ministère des Douanes continue de préparer des états détaillés indiquant la quantité, la valeur et l'origine des importations, la quantité, la valeur et la destination des exportations, états qu'il fournit tous les mois au Bureau Fédéral de la Statistique, pour la publication, depuis le 1er avril 1918.

Le Bureau Fédéral de la Statistique publie maintenant des statistiques du commerce classifiées par pays, avec d'autres détails compilés d'après les rapports des Douanes.

La Partie I de ce rapport annuel contient des tableaux et états relatifs aux douanes.

La Partie II du rapport contient des tableaux et états relatifs à l'accise.

La Partie III du rapport contient des tableaux relatifs à l'impôt sur le revenu.

NOTE.—Columns 1 to 6 contain individual and corporate collections under the Income War Tax Act which are totalled in Column 7. Columns 8 and 9 represent collections under the Excess Profits Tax Act and the Dominion Succession Duty Act respectively. Grand total collections under all three Acts are combined in column 10. Occasionally, taxpayers, in making payment, include too much money under the heading of Income Tax and not enough under the heading Excess Profits Tax. Actual assessment, at a later date, brings out this fact and transfers must accordingly be made from Income Tax to Excess Profits Tax account.

Amounts marked "D" in Column 1 indicate that transfers relating to collections of previous years from Column 1 to Column 9 were in excess of actual cash received during the current year. Gross revenue for the year as shown in Column 10 is unaffected by such cross entries.

The Hon. JAMES J. McCANN, M.D., C.M., LL.D.

Minister of National Revenue.

SIR,—I have the honour to hand you the Annual Report of the Department of National Revenue (Customs Division), containing Accounts of Revenue for the fiscal year ended March 31, 1948.

Your obedient servant,

DAVID SIM,

Deputy Minister.

OTTAWA, June 30, 1948.

PREFACE

The Act respecting the Department of National Revenue contains the following provisions with regard to the annual report of the department (Section 5):—

“The Minister shall each year make a report to the Governor General, of the transactions and affairs of the department during the year then last preceding, which shall be laid before Parliament within fifteen days after the next meeting thereof.”

The unrevised monthly statements of imports and exports, prepared and published under the direction of the Department of Customs from July 1, 1900, ceased to be published by this Department since March, 1918.

Detailed statements, however, showing the quantity, value, and origin of imports and the quantity, value and destination of exports, continue to be prepared and furnished monthly by the Department of Customs from April 1, 1918, for publication by the Dominion Bureau of Statistics.

Trade statistics classified by countries, with other details, compiled from Customs returns, are now published by the Dominion Bureau of Statistics.

Part I of this report contains tables and statements relative to Customs.

Part II of this report contains tables and statements relative to Excise.

Part III of this report contains tables relative to Income Taxes.

L'LAISE À VOTRE EXCELLENCE:

Le soussigné a l'honneur de présenter à Votre Excellence le rapport annuel du Ministère du revenu national, renfermant des tableaux et des relevés relatifs aux douanes, à l'accise et à l'impôt sur le revenu, du Dominion du Canada, pour l'année financière terminée le 31 mars 1948, et compilé d'après les comptes rendus officiels.

Le tout vous est respectueusement soumis.

JAMES-J. McCANN,
Ministre du revenu national.

OTTAWA, le 30 juin 1948.

L'honorable JAMES-J. McCANN, D.M.,
Ministre du revenu national.

MONSIEUR,—J'ai l'honneur de vous remettre le rapport annuel du Ministère du revenu national (Service des douanes), renfermant les comptes rendus des revenus pour l'année financière terminée le 31 mars 1948.

Votre obéissant serviteur,

DAVID SIM,
Sous-Ministre.

OTTAWA, le 30 juin 1948.

PRÉFACE

La loi concernant le ministère du Revenu national contient les dispositions suivantes au sujet du rapport annuel du ministère (Article 3):—

“Le ministre doit, tous les ans, soumettre au Gouverneur général un compte rendu et un état des opérations et affaires du ministère pour l'exercice immédiatement précédent, compte rendu qui doit être déposé devant le Parlement dans les quinze jours de la réunion de celui-ci.”

Depuis mars 1918, notre ministère ne publie plus les résultats mensuels non révisés des importations et exportations que l'on préparait et publiait sous la direction du ministère des Douanes, depuis le 1er juillet 1900.

Mais le ministère des Douanes continue de préparer des états détaillés indiquant la quantité, la valeur et l'origine des importations, la quantité, la valeur et la destination des exportations, états qu'il fournit tous les mois au Bureau fédéral de la statistique, pour la publication, depuis le 1er avril 1918.

Le Bureau fédéral de la statistique publie maintenant des statistiques du commerce classifiées par pays, avec d'autres détails compilés d'après les rapports des Douanes.

La Partie I de ce rapport annuel contient des tableaux et états relatifs aux douanes.

La Partie II du rapport contient des tableaux et états relatifs à l'accise.

La Partie III du rapport contient des tableaux relatifs à l'impôt sur le revenu.

Note.—Columns 1 to 7 contain individual and corporate collections under the Income War Tax Act which are totalled in Column 8. Columns 9 and 10 represent Collections under The Excess Profits Tax Act, 1940, and The Dominion Succession Duty Act respectively. Grand total collections under all three Acts are combined in Column 11. Occasionally, taxpayers, in making payments, include too much money under the heading of Income Tax or too little under the heading Excess Profits Tax. Actual assessment, at a later date, brings out this fact and transfers must accordingly be made from Income Tax to Excess Profits Tax Account.

Amounts marked "D" indicate that transfers or refunds relating to collections of previous years were in excess of actual cash received during the current year.

Nora.—Les colonnes 1 à 7 indiquent les perceptions provenant de particuliers et de sociétés, faites en vertu de la Loi de l'impôt de guerre sur le revenu et totalisées dans la colonne 8. Les colonnes 9 et 10 représentent les perceptions affectées sous l'empire de la Loi de taxation sur les surplus de bénéfices 1940 et de la Loi fédérale sur les droits successoraux respectivement. Les perceptions totales faites en vertu de ces trois lois sont réunies dans la colonne 11. Parfois des contribuables, en faisant des versements, mettent trop d'argent sous la rubrique de l'impôt sur le revenu et pas assez sous celle de la taxe sur les surplus de bénéfices. La vérification subséquente révèle ce fait et il faut donc opérer des virements du compte d'impôt sur le revenu à celui de la taxe sur les surplus de bénéfices.

Les sommes marquées d'un "D" indiquent que les transferts ou les restitutions se rapportant aux perceptions des années précédentes ont dépassé les sommes réelles recues pendant l'année courante.

INCOME TAX DIVISION—Collections for the government fiscal year ending March 31, 1948, sub-divided as between individuals and corporations by provinces and income tax districts.

SERVICE DE L'IMPÔT SUR LE REVENU—Les perceptions pour l'année fiscale se terminant le 31 mars 1948, réparties entre particuliers et sociétés et subdivisées par provinces et districts d'impôt sur le revenu.

The Hon. JAMES J. McCANN, M.D., C.M., LL.D.
Minister of National Revenue.

SIR,—I have the honour to hand you the Annual Report of the Department of National Revenue (Customs Division), containing Accounts of Revenue for the fiscal year ended March 31, 1949.

Your obedient servant,

DAVID SIM,
Deputy Minister.

OTTAWA, June 30, 1949.

PREFACE

The Act respecting the Department of National Revenue contains the following provisions with regard to the annual report of the department (Section 5):—

“The Minister shall each year make a report to the Governor General, of the transactions and affairs of the department during the year then last preceding, which shall be laid before Parliament within fifteen days after the next meeting thereof.”

The unrevised monthly statements of imports and exports, prepared and published under the direction of the Department of Customs from July 1, 1900, ceased to be published by this Department since March, 1918.

Detailed statements, however, showing the quantity, value, and origin of imports and the quantity, value and destination of exports, continue to be prepared and furnished monthly by the Department of Customs from April 1, 1918, for publication by the Dominion Bureau of Statistics.

Trade statistics classified by countries, with other details, compiled from Customs returns, are now published by the Dominion Bureau of Statistics.

Part I of this report contains tables and statements relative to Customs.

Part II of this report contains tables and statements relative to Excise.

Part III of this report contains tables relative to Income Taxes.

PLAISE À VOTRE EXCELLENCE:

Le soussigné a l'honneur de présenter à Votre Excellence le rapport annuel du ministère du Revenu national, renfermant des tableaux et des relevés relatifs aux douanes, à l'accise et à l'impôt sur le revenu, du Dominion du Canada, pour l'année financière terminée le 31 mars 1949, et compilé d'après les comptes rendus officiels.

Le tout vous est respectueusement soumis.

JAMES J. McCANN,

OTTAWA, le 30 juin 1949.

L'honorable JAMES J. McCANN, D.M., M.C., D.D.,
Ministre du revenu national.

MONSIEUR,—J'ai l'honneur de vous remettre le rapport annuel du ministère du Revenu national (Service des douanes), renfermant les comptes rendus des revenus pour l'année financière terminée le 31 mars 1949.

Votre obéissant serviteur,

DAVID SIM,
Sous-ministre.

OTTAWA, le 30 juin 1949.

PRÉFACE

La loi concernant le ministère du Revenu national contient les dispositions suivantes au sujet du rapport annuel du ministère (Article 3):—

“Le ministre doit, tous les ans, soumettre au Gouverneur général un compte rendu et un état des opérations et affaires du ministère pour l'exercice immédiatement précédent, compte rendu qui doit être déposé devant le Parlement dans les quinze jours de la réunion de celui-ci.”

Depuis mars 1918, notre ministère ne publie plus les résultats mensuels non révisés des importations et exportations que l'on préparait et publiait sous la direction du ministère des Douanes, depuis le 1er juillet 1900.

Mais le ministère des Douanes continue de préparer des états détaillés indiquant la quantité, la valeur et l'origine des importations, la quantité, la valeur et la destination des exportations, états qu'il fournit tous les mois au Bureau fédéral de la statistique, pour la publication, depuis le 1er avril 1918.

Le Bureau fédéral de la statistique publie maintenant des statistiques du commerce classifiées par pays, avec d'autres détails compilés d'après les rapports des Douanes.

La Partie I de ce rapport annuel contient des tableaux et états relatifs aux douanes.

La Partie II du rapport contient des tableaux et états relatifs à l'accise.

La Partie III du rapport contient des tableaux relatifs à l'impôt sur le revenu.

NOTE.—Columns 1 to 7 contain individual and corporate collections under the Income War Tax Act and the Income Tax Act which are totalled in Column 8. Columns 9 and 10 represent Collections under The Excess Profits Tax Act, 1940, and The Dominion Succession Duty Act respectively. Grand total collections under all three Acts are combined in Column 11. Occasionally, taxpayers, in making payments, include too much money under the heading of Income Tax and not enough under the heading Excess Profits Tax Account. Amounts marked "D" indicate that transfers or refunds relating to collections of previous years were in excess of actual cash received during the current year.

NOTA.—Les colonnes 1 à 7 indiquent les perceptions provenant de particuliers et de sociétés, faites en vertu de la Loi de l'impôt de guerre sur le revenu et de la Loi de l'impôt sur le revenu et totalisées dans la colonne 8. Les colonnes 9 et 10 représentent les perceptions effectuées sous l'empire de la Loi de l'impôt des surplus de bénéfices 1940 et de la Loi fédérale sur les droits successoraux respectivement. Les perceptions totales faites en vertu de ces trois lois sont réunies dans la colonne 11. Parfois des contribuables, en faisant des versements, mettent trop d'argent sous la rubrique de l'impôt sur le revenu et pas assez sous celle de la taxe sur les surplus de bénéfices. La vérification subséquente révèle ce fait et il faut donc opérer des virements du compte d'impôt sur le revenu à celui de la taxe sur les surplus de bénéfices.

Les sommes marquées d'un "D" indiquent que les restitutions se rapportant aux perceptions des années précédentes ont dépassé les sommes réelles reçues pendant l'année courante.

The Hon. JAMES J. McCANN, M.D., C.M., LL.D.
Minister of National Revenue.

SIR,—I have the honour to hand you the Annual Report of the Department of National Revenue (Customs Division), containing Accounts of Revenue for the fiscal year ended March 31, 1950.

Your obedient servant,

DAVID SIM,
Deputy Minister.

OTTAWA, June 30, 1950.

PREFACE

The Act respecting the Department of National Revenue contains the following provisions with regard to the annual report of the department (Section 5):—

“The Minister shall each year make a report to the Governor General, of the transactions and affairs of the department during the year then last preceding, which shall be laid before Parliament within fifteen days after the next meeting thereof.”

The unrevised monthly statements of imports and exports, prepared and published under the direction of the Department of Customs from July 1, 1900, ceased to be published by this Department since March, 1918.

Detailed statements, however, showing the quantity, value, and origin of imports and the quantity, value and destination of exports, continue to be prepared and furnished monthly by the Department of Customs from April 1, 1918, for publication by the Dominion Bureau of Statistics.

Trade statistics classified by countries, with other details, compiled from Customs returns, are now published by the Dominion Bureau of Statistics.

Part I of this report contains tables and statements relative to Customs.

Part II of this report contains tables and statements relative to Excise.

Part III of this report contains tables relative to Income Taxes.

PLAISE À VOTRE EXCELLENCE:

Le soussigné a l'honneur de présenter à Votre Excellence le rapport annuel du ministère du Revenu national, renfermant des tableaux et des relevés relatifs aux douanes, à l'accise et à l'impôt sur le revenu, du Dominion du Canada, pour l'année financière terminée le 31 mars 1950, et compilé d'après les comptes rendus officiels.

Le tout vous est respectueusement soumis.

JAMES J. McCANN,
Ministre du revenu national.

OTTAWA, le 30 juin 1950.

L'honorable JAMES J. McCANN, D.M., M.C., D.D.,
Ministre du revenu national.

MONSIEUR,—J'ai l'honneur de vous remettre le rapport annuel du ministère du Revenu national (Service des douanes), renfermant les comptes rendus des revenus pour l'année financière terminée le 31 mars 1950.

Votre obéissant serviteur,

DAVID SIM,
Sous-ministre.

OTTAWA, le 30 juin 1950.

PRÉFACE

La loi concernant le ministère du Revenu national contient les dispositions suivantes au sujet du rapport annuel du ministère (Article 3):—

“Le ministre doit, tous les ans, soumettre au Gouverneur général un compte rendu et un état des opérations et affaires du ministère pour l'exercice immédiatement précédent, compte rendu qui doit être déposé devant le Parlement dans les quinze jours de la réunion de celui-ci.”

Depuis mars 1918, notre ministère ne publie plus les résultats mensuels non révisés des importations et exportations que l'on préparait et publiait sous la direction du ministère des Douanes, depuis le 1er juillet 1900.

Mais le ministère des Douanes continue de préparer des états détaillés indiquant la quantité, la valeur et l'origine des importations, la quantité, la valeur et la destination des exportations, états qu'il fournit tous les mois au Bureau fédéral de la statistique, pour la publication, depuis le 1er avril 1918.

Le Bureau fédéral de la statistique publie maintenant des statistiques du commerce classifiées par pays, avec d'autres détails compilés d'après les rapports des Douanes:

La Partie I de ce rapport annuel contient des tableaux et états relatifs aux douanes.

La Partie II du rapport contient des tableaux et états relatifs à l'accise.

La Partie III du rapport contient des tableaux relatifs à l'impôt sur le revenu.
